About me

Hello! Pleased to meet you, my name is Giorgio.

I am a creative designer, capable of working on different platforms and fronts in the field of design. I am able to satisfy the needs of customers thanks to a wealth of experience gained during my work experiences and my university studies.

Passion and curiosity aimed at rapid prototyping, oriented towards collaborations with professionals and companies with a vision aimed at future trends.

In constant search for new experiences, lover of travel for continuous improvement both personal and professional.

Professional Experience

2023 - NOW | WUNDER SA.BI.

Industrial Designer

Aesthetic and ergonomic design, creation of creative and functional concepts in 3D, rapid prototyping, rendering, definition of materials and production processes of the products, evaluation of production costs and industrial feasibility of the project, relationship with suppliers

2019 - NOW | FREELANCE

Product Designer

Research and ideation to develop concepts and physical projects. Design of 3D/CAD models, prototypes, taking care of the aesthetic aspect, materials and production feasibility. Usability tests for product improvement, collaborating with teams of engineers, marketing, sales and production, coordinating the work for design coherence.
